FIRST ASST. SECRETARY TO GOVERNMENT
20 FEB 1953
DEVELOPMENT DEPARTMENT

Sir,

20264

Sub:- HOUSING - Rural Housing - Gurupuram Rural Housing Society - Bellary district - Senior Inspector - Secretary - continuance of - Proposals submitted.
Ref:- G.O. Ms. No.1193 Development dated 21-3-1952.

In their order cited, Government were pleased to sanction the continuance of the Senior Inspector, working as the Secretary of the Gurupuram Rural Housing Society in the Bellary district at Government cost, for a period of one year from 3-3-1953 forenoon. The present period of sanction of the post will expire on 2-3-1953 Afternoon.

2. There are 24 members on the rolls of the society with a paid up share capital of Rs.17,065/-. Of these, 10 members were sanctioned Government loans amounting to Rs.47,400/- during 51-52. Of these, six members have completed the construction of the houses and the remaining 4 members are expected to complete the construction of their houses by 15-3-1953. Out of the loans amounting to Rs.47,400/- sanctioned to the above 10 members, a sum of Rs.38,400/- has so far been drawn and disbursed. The balance will be disbursed before the end of this financial year. 10 more members of the society have applied for sanction of Government loans amounting to Rs.45,500/-. The applicants propose to build houses on the sites assigned to them by the Collector. Under condition 7 of the assignment order of the Collector, the members do not have an absolute title to the lands assigned to them. Government in the Revenue Department have been addressed to modify the condition suitably so as to ensure the safety of of Government loans advanced for construction of houses on the sites assigned. The matter is still under correspondence. The sanction of these 10 loans will be considered on receipt of final orders from the Government. This is the first rural housing society in the State to take up construction of houses with the aid of Government loans and to complete a few houses. But for the services of the Senior Inspector, it would not have been possible for the society to achieve this progress. There is much work yet to be done in the society, as it has to complete the construction of 20 houses, contemplated under the Rural Housing Scheme. It is therefore necessary to continue the Senior Inspector for some time more. The Board of Directors of the Society has resolved in their meeting held on 4-2-1953 to request the continuance of the Senior Inspector at Government cost for a further period of one year from 3-3-1953. A copy of the resolution* together with a copy of the Balance Sheet of the society as on 4-2-1953 is enclosed. The Special Development Officer, Bellary has stated that it is necessary to continue the Senior Inspector for another year at Government cost and that in its present financial condition, it will not be possible for the society to meet the cost of the Senior Inspector. I agree with him and request that Government may be pleased to sanction the continuance of the Senior Inspector working as the Secretary of the Gurupuram Rural Housing Society at Government cost for another year from 3-3-1953 forenoon.
